

THE 04651/ X MAMMUT COLLAB

FROM THE SUMMIT TO THE SEA – MORE THAN 155 YEARS OF EXPERIENCE ARE INCORPORATED IN SWISS OUTDOOR BRAND MAMMUT'S OUTERWEAR. FOR THE FIRST TIME IN THE COMPANY'S HISTORY, THE TWO COMPANIES HAVE COME TOGETHER TO LAUNCH TWO EXCLUSIVE STYLES. PERFORMANCEDRIVEN PRODUCTS FOR DEMANDING URBAN CONDITIONS, IN A SUBDUED, NORDIC LOOK. IT IS A WHOLE NEW DIMENSION OF OUTERWEAR AT 04651/.

The name Mammut Delta X stands for the altitude difference between the summit of the Eiger – the Hausberg of Mammut in the heart of the Swiss alps – and the highest summit or point of the season's inspirational city: From Summit to Summit. For Summer 2019 the inspirational city is the German capital of Berlin with the Teufelsberg, for Fall/Winter 2019/20 it will be Beijing with the Zun Tower as highest peak.

In Fall/Winter 2019/20, Mammut will launch its second Delta X collection which offers many urban pieces for colder days. In addition, Mammut further develops its Summit to Summit concept for Fall/Winter 2019/20 together with Lars Braun and its label 04651/: The exclusive 04651/ line is inspired by the German island of Sylt and represents refined luxury, Nordic casual chic and understated elegance, with comfort and quality as key features. To get through winter in style on an island like Sylt, the two companies have come together to launch two exclusive styles: From the Summit to the Sea. Two products from the regular Mammut Delta X collection were taken as starting points for the two jackets, Summit to Sea HS Thermo Hooded Parka Men and Summit to Sea IN Hooded Jacket Men. The original jackets were then complemented with various additional features. For instance, the pockets and hood have a special lining made from a warm and cozy wool-silk blend – combining the best possible thermal protection with a stylish look.

ABOUT 04651/

The quintessential 04651/ day? You'll be woken by the fresh breeze of the Sea to start the day with the comforting feeling of home in your heart. The rough ocean on one side and the Wadden sea on the other side create moments where time seemingly comes to a standstill for a moment.

„A trip in a bag“ is the idea behind the collection. Finest quality, closeness to nature and a touch of luxury: everything packed up in a carry-all to spend a weekend on the most beautiful of all the German islands of the North Sea, Sylt – or on any other of the world's beautiful coasts.

04651/ represents quality, casual chic and subdued elegance, paired with understatement and traditional values, all refined with that touch of luxury. In short: a small but sophisticated selection of essentials for men and the ideal balance of effortless elegance, outstanding comfort and a relaxed casual feeling. The range is complemented with subtly coordinated bags, shoes and accessories.

All the designs are developed on Sylt and production is exclusively carried out in Europe. 04651/ represents a muted look that will last beyond the seasonal speed of fashion and is not defined by short-lived trends.

About Mammut

Founded in 1862, MAMMUT is a Swiss outdoor company that provides high-quality products and unique brand experiences for fans of mountain sports around the world.
